We, the Trustees of the William and Marian Ghidotti Foundation, are pleased to inform you that you have been selected as recipient of a scholarship for the academic year 2016-2017.

The Foundation awards you \$1,500.00 per school year, if you attend a two-year junior college. If you attend a four-year college or university in the United States you will receive \$4,000.00 per school year.

The funds will be forwarded to the college of your choice upon receipt by our secretary of evidence that you have **enrolled**. The funds should be utilized for books, class supplies and tuition.

PROOF OF ENROLLMENT, SIGNED BY THE REGISTRAR, MUST BE RECEIVED NO LATER THAN NOVEMBER 30, 2016 to qualify for funding.

Please provide us with your college email address once you are enrolled.

RENEWAL INSTRUCTIONS:

Once you have received a scholarship, you are eligible for renewal, provided you are pursuing a **full time** curriculum (12 units per **consecutive semester or quarter**) and the Trustees are satisfied with your academic progress. The scholarship is renewable each year, not to exceed **FOUR CONSECUTIVE** years of college. If you desire a renewal after completion of each academic year, please write or email us at the end of the school term with your request.

A CERTIFIED COPY OF YOUR TRANSCRIPT from the college you are attending is required for renewal **no later than AUGUST 30th** of the renewal year. The transcript will be evaluated for approval and you will be advised as to your eligibility for renewal.

Once you are accepted for renewal, **PROOF OF ENROLLMENT from the Registrar MUST BE RECEIVED NO LATER THAN NOVEMBER 30 of the renewal year.**

We place our confidence in you that these funds will be used in the steadfast pursuit of your goals, thereby benefiting yourself and the society in which we live.

Very truly yours,

Trustee
